Pastor's Notes

Wind

When God began to create the heavens and the earth, the earth was complete chaos, and darkness covered the face of the deep, while a wind from God swept over the face of the waters. Then God said, "Let there be light," and there was light. And God saw that the light was good, and God separated the light from the darkness. God called the light Day, and the darkness he called Night. And there was evening and there was morning, the first day. Genesis 1:1-5

One of the things that has been so prevalent in my time in Southern WI is the wind! The wind never seems to stop blowing here! We moved here from the Foothills of the Blue Ridge Mountains and there were windy times. But year round it seems there is never a time without at least a breeze and most times a stiff wind. As I write this today, the spring sun is warm and lovely and the wind is still a bit chill! Early May is when the farmers are desperately trying to get their crops in the ground. This year it has been very wet and most farmers and gardeners are a bit behind schedule. These sunny, windy days quickly dry out the fields and when we have a couple of them in a row, inevitably we have tractors and equipment running to and fro trying to make good use of the time!

The temperatures of the soil and the water that is prevalent here in WI and the air temperatures are dictated by the sun, each of these heating at different rates, hot air rising and cold air falling. Add that to the spinning of this big ball we call Earth and you have wind! Most times it is welcome, but sometimes it is a bitter pill! Storms and chilling winds are all part of the joys of WI just as much as that warm, summer breeze we feel sitting by the lake!

The ancients believed that in some way the wind was part, or an act, of God. If you read the first few pages of Genesis or the second chapter of Acts, you would know the wind as the breath of God or the Holy Spirit, the part of God that brings about

change. It tends to make me think differently about the breeze when I reflect on that imagery. **The winds of change.**

We are just on the verge of some of those warm, spring days as I write this note. This year it seems that winter held on extremely long! I am ready for the change of the seasons. I can feel the creative Spirit of God blowing and flowing around me as I walk along the lake in Monticello.

I remember reading an Ojibway saying that went something like this: "At times I go about pitying myself, and all the while I am being carried by a great wind."

May you feel the breath of God breathing new life into your world! Amen.

Peace,

Pastor Lance

Coordinator of Caring Ministries

I live in Wisconsin because I enjoy the changing of the seasons... all 4 seasons... This year, we needed to appreciate spring one day at a time. It was usually followed by either wintery weather or 80 degree weather, and then back to 60 degrees. I hope you give thanks for every day regardless of the weather.

THANK YOU for the lovely flowers given to me for Administrative Professionals' Day. Flowers lift my spirit when I look at them and I feel loved and appreciated.

11 people participated in the 7-week **"Stepping On Workshop"** provided through ADRC and hosted at Zwingli in the Labyrinth Room. 10 people participated in the **UW Extension COMET Workshop** hosted at Zwingli. We are looking forward to hosting future workshops. Please let Cindi know if there are events that would provide outreach to neighboring communities.

There is a faithful group of 5 gathering to continue our discussion on the book *"The Purpose Driven Life."* We tend to discuss much more and we welcome others who might want to join us on **Tuesdays at Two** in the Church Library.

Let me know if you have an interest in providing outreach to the Zwingli Church Family through sending cards, making phone calls, visiting, or praying. Then mark your calendar for our **Caring Network Gathering on August 7th**. It's never too early to confirm your participation!

Sally Disrud will welcome photos that can be used on the greeting cards she makes for the Caring Network. If you would like to see your talents in print... give them to Sally. She makes beautiful cards!!!!!!!

The series is
now complete!!!

Our former Pastor, Larry Balleine, has completed a five-part series of novellas that trace the Sabbatical Journey of Michael Lattimore as he travels to several dairy farming regions of Wisconsin.

Michael is attempting to discern how the cultural changes of the past thirty or forty years have been affecting farm families. In his travel, he ends up undergoing several encounters that he could not have imagined prior to his travel. Michael ends up acting in "angel-like" ways as he responds to the situations he faces.

The five books in order include:

ENTERTAINING ANGELS
AN ANGEL AMONG US
ANGELS IN DISGUISE
ENCOURAGING ANGEL
ANGELS TO THE RESCUE.

Their retail cost ranges from \$9.95 to \$16.95 for each edition. They can be purchased through Amazon Books. Amazon has been offering some reduced costs on a couple of them; or you can contact Larry; he can offer the entire series for \$50.
