This summer, the Village of Monticello plans to replace the road, sewer lines, curb, gutter, and sidewalks on East Lake Avenue. Although we do not know the exact start date, we have been assured that we will always have access to the Church and one of our entrances will remain open during construction.

From Our Interim Minister

Hi Zwingli Friends,

I call you friends, because that is how I felt upon entering this building just a few months ago meeting you and leading worship on Palm Sunday.

Since then, together we mourned our Savior's cruel death on Good Friday and celebrated his resurrection Easter Sunday.

We were together when we were reminded of the joy and fear the early Christians felt at the coming of the Holy Spirit into their midst.

Imagine their surprise as they witnessed a marvelous miracle happening in their midst. Flames flashing red and orange lights. A feeling of sudden fear and the trilling of many different languages had to be shocking at the very least!

Our Pentecost Sunday was not as ground shaking as the early Christians, but there were Strawberry Sundaes! My fav!

I have met several of you individually and hope to get to know you a little better while I'm here. *"Thank you for wearing name tags, they are very helpful."* Keep wearing them please. Thanks!!

Peace and blessings,
Rev. Bev

Caring Ministry Moment

The Caring Ministry is grateful for the support of the Brotherhood through a gift of money.

The theme of **"Powered by Connection"** calls attention to the link between staying in touch with other people and emotional and mental health.

Our Church family has recently experienced several opportunities inviting us to focus on providing additional outreach.

I consider myself fortunate to be in a position to coordinate opportunities of Caring Ministry through making recommendations for friendly visits, activating the prayer request chains, and organizing serving Root Beer Floats at Care Facilities throughout the summer months.

Sunday, June 2nd, the Veterans Recognition Team will supervise the signing of cards to be sent to Veterans for the 4th of July.

Search Committee Updates

I would like to thank everyone for their participation in the survey process and for their patience in the Pastor search process.

With your responses and feedback, we have completed the Church Profile and submitted it to our Advisor in the UCC Conference. From those who were tasked to complete the review, the consensus is that this detailed document is a very good overview and reflection of our Church and congregation, its mission, and the community, and is a look at the future vision we have.

Now that the profile has been completed and forwarded to the UCC Conference for posting, the next step for the Search Committee is to meet with our Advisor and prepare for candidates' resumes. The length of time this next stage of the process will take will be determined by the number of resumes we receive.

We will continue to keep the vision of Zwingli UCC at the forefront in the selection of a new Pastor and provide updates as we are able. We ask that you continue to pray for the committee as we move forward and, with God's guidance, we will be blessed with a Pastor to guide us as we minister in the name of Jesus Christ.

Yours in Christ,
Deb Broge (Chair), Doc Davis, Dave Gietzel,
Denise Pinnow, Cindi Ritter, and Paul Rieder

THE BEGINNING OF FATHER'S DAY

One Sunday in 1909, a young woman named Sonora Smart Dodd sat in a pew listening to a sermon honoring mothers. Her mother had died some years before, so her father had raised her by himself. She began to wonder why there wasn't a day to honor fathers.

Sonora decided to arrange for a tribute to be paid to her father at a Church in her hometown of Spokane, Washington. The date was June 19, 1910. Many believe that this was the beginning of Father's Day.

In 1924, President Coolidge suggested that Father's Day become a national holiday. In 1966, President Johnson designated the third Sunday of June to be Father's Day. Six years later, President Nixon instituted Father's Day as a national observance.

An Ode to Dads

God took the strength of a mountain, the majesty of a tree, the warmth of a summer sun, the calm of a quiet sea.

The generous soul of nature, the comforting arm of night, the wisdom of the ages, the power of the eagle's flight.

The joy of a morning in spring, the faith of a mustard seed, the patience of eternity, the depth of a family need.

Then God combined these qualities, when there was nothing more to add, He knew his masterpiece was complete, and so, he called it ... Dad.

KEEP ON SHINING

Charles W. Naylor (1874-1950) was a traveling evangelist until misfortune struck. First a tentpole fell on him as he prepared for a meeting. A year later, a bus accident left him partially paralyzed.

Despite experiencing chronic pain, Naylor became a prolific author and hymnist, dictating almost 150 songs. He often wrote about God's loving care amid adversity. One of his hymns begins:

When the winds of persecution blow,
When the streams of hatred tow'rd you flow,
When your foes in number seem to grow,
Just keep on shining.

"God's comfort in our times of sorrow is not an imaginary thing," Naylor wrote. "It can be so real that it is a balm for our wounded spirits. Having passed through the experience more than once, [I know] how real and vital and sustaining the comfort of God can be."

Dear Heavenly Father, we come as your children to praise you for putting us in our family — and in our Church family. Thank you for the love and nourishment we receive from the people in whose presence you've placed us. We confess our need for your guidance in our families and congregation.

Please grant us harmony in our homes and Church body. In all situations, help us show love, patience, and respect for one another. In your name we pray. Amen.
